Bengal National Chamber of Commerce & Industry (BNCCI) :

BNCCI was established in 1887. Being the oldest national chamber of commerce in Eastern India, it has been sharing the responsibility of developing entrepreneurship in this part of the country for more than last three decades. Its primary focus is to provide assistance to Industry & Trade. (Website: www.bncci.com)

Enterprise Development Institute (EDI) :

With a view to strengthening the entrepreneurship MSME development activities, BNCCI promoted 'Enterprise Development Institute' as a non-profit making registered Training Institute with support from Govt. of India and Govt. of West Bengal. The Institute conducts a wide range of training programmes on entrepreneurial development, business management, faculty development, skill development, capacity building and related areas. Entrepreneurs and managers from SMEs are also given management inputs through specialized courses on Marketing, Finance, Foreign Trade, Travel & Tourism, Retail Management, Communication Skill Development, Floriculture & Horticulture Business etc.
